

The Perfect Storm that is Destroying Democracy

A Roadmap for a Bold New Future for America

By Robert Porter Lynch

Version 2.5 July 2022

The aim of this book is four-fold:

1. To explain the ***underlying causes*** of the bizarre behavior in America
2. To examine the ***onerous methods*** used to perpetuate this behavior
3. To project the ***consequences*** if nothing is done to change course
4. To specify what ***must be done*** to turn the tide

Blame: Continuously finding fault with others and reveling in scorn, while never accepting responsibility. 161
Enemies: Polarization, casting those who act or think differently as evil-intentioned, conspiring adversaries. 161
Fear: Triggering extreme anxiety that others pose a dangerous threat to my existence and my beliefs. 161
Uncertainty: Causing the perception that nothing is stable, nothing is real, what I dislike must be "fake news." 161
Doubt: Undermining reality by asking questions designed to shake beliefs about the motives of others. 161
Distrust: Spreading misgivings and casting aspersions for the purpose of creating cynicism and suspicion. 161
Lies: Purposefully spreading disinformation, usually connecting a half-truth with a falsehood.....161
Extremism: Radicalization, multiplication, and amplification to provoke action based on inflaming emotions. 161

Discord: Using these tactics in a manipulative way to benefit one person or group who alone is superior and able to fix it. 161
